

PELTON MINERALS CORPORATION

NEWS RELEASE

July 28, 2023

CSE SYMBOL: PMC

OTCQB Symbol: PMCCF

Private Placement and Extension of Warrant Expiry Date

London, Ontario – Peloton Minerals Corporation (“PMC” or the “Company”) (CSE Symbol: PMC; OTCQB Symbol: PMCCF) has closed a non-brokered private placement of CDN\$55,000.00 (the “**Private Placement**”) and consisting of 611,111 units priced at CDN\$0.09 per unit. Each unit consists of one common share and one common share purchase warrant exercisable for three years at \$0.12.

The Private Placement was conducted in reliance upon certain prospectus exemptions, including the exemption allowing issuers to raise capital by distributing securities to existing shareholders (the “Existing Shareholder Exemption”) contained in OSC Rule 45-501 (2.9) and the various corresponding blanket orders and rules of participating jurisdictions (with the exception of Newfoundland and Labrador) as well as other available prospectus exemptions, including sales to accredited investors and close personal friends and business associates of directors and officers of the Company. The Company set July 20, 2023 as the record date for the purpose of determining existing shareholders entitled to purchase Shares pursuant to the Existing Shareholder Exemption. The proceeds of the Private Placement will be used for working capital. Subscriptions were accepted in whole or in part at the discretion of the Company on a first come, first served basis.

The securities issued in connection with the Private Placement are subject to a hold period expiring four months and one day from the issuance of the securities.

The Company will modify the expiry time of certain outstanding warrants of the Company held by previous private placement investors as follows:

7,934,629 warrants exercisable at a price of CDN\$0.125 until 5:00 pm on August 20, 2023 will be exercisable until 5:00 pm on August 20, 2025.
