

PELTON MINERALS CORPORATION

NEWS RELEASE

August 15, 2025

**CSE SYMBOL: PMC
OTCQB Symbol: PMCCF**

Private Placement

London, Ontario – Peloton Minerals Corporation (“PMC” or the “Company”) (CSE Symbol: PMC; OTCQB Symbol: PMCCF) intends to close a private placement of units priced at CDN\$0.09 per unit for total proceeds of up to \$630,000 in one or more tranches over the next weeks. Each unit consists of one common share and one common share purchase warrant exercisable for three years at \$0.12. The proceeds of the Private Placement will be used for lithium exploration in northern Nevada and working capital.

The Private Placement will be conducted in reliance upon certain prospectus exemptions, including the exemption allowing issuers to raise capital by distributing securities to existing shareholders (the “Existing Shareholder Exemption”) contained in OSC Rule 45-501 (2.9) and the various corresponding blanket orders and rules of participating jurisdictions (with the exception of Newfoundland and Labrador) as well as other available prospectus exemptions, including sales to accredited investors and close personal friends and business associates of directors and officers of the Company. The Company has set August 15, 2025, as the record date for the purpose of determining existing shareholders entitled to purchase Shares pursuant to the Existing Shareholder Exemption.

The securities issued in connection with the Private Placement are subject to a hold period expiring four months and one day from the issuance of the securities.
